Dear Mother,

How are you? I am fine. The men are working in the new chapel. The boys have not practice basketball because the gym has been closed.

We will play basketball on Friday with Fishers.

Maybe we will go to the Butler gym.

I will play basketball soon in about 1 or 2 weeks.

I went to go to the movies "The yank in the R.A.F" and Charles Chan in Rio" on Saturday.

I love you,

Ray
